

## **How to Communicate with the Board of Directors**

Individuals, including stockholders, may send communications directly to the Board of Directors by writing to:

Cox Radio, Inc.  
Corporate Secretary (ATTN: Board of Directors)  
6205 Peachtree Dunwoody Road  
Atlanta, Georgia 30328

Communications intended for Cox Radio's non-management directors (i.e., those directors who are not officers of Cox Radio) should be addressed to:

Cox Radio, Inc.

6205 Peachtree Dunwoody Road  
Atlanta, Georgia 30328

Depending on the subject matter of the communication, it may be forwarded to the director(s) to whom it is addressed, handled directly by management, or not forwarded if it is primarily commercial in nature, if it relates to an improper or irrelevant topic, or if it requires investigation to verify its content. Communications not forwarded to the Board of Directors or the non-management directors will be retained and made available to the addressee upon request.

The Audit Committee of the Board of Directors has established a procedure for the receipt, retention, and treatment of complaints regarding Cox Radio's accounting, internal accounting controls, or auditing matters. Any such complaints can be submitted in writing to:

Cox Radio, Inc.  
Compliance Officer (ATTN: Legal Department)
